Re: Notice of Intention to Commence Small Mining Activities, Deer Trail Mine, S/031/003, Piute County, Utah

Dear Mr. Evans:

It has now been nearly two months since we sent you our review comments regarding your Notice of Intent to Conduct Small Mining Operations (NOI) for the Deer Trail Mine in Piute County. To date, we have not received a response to our comments nor heard from you. For your general reference, I have enclosed another copy of our October 21, 1994 review letter.

Please note, the Division must have an adequate response to these comments before any additional mining related activity is conducted on this mine site. Also, please note that Unico will be held responsible for much of the current disturbance which should be reclaimed now, if you no longer plan on going ahead with the proposed mining operation. Please provide a response to our review comments by January 6, 1995. If this is not possible, please contact us at your earliest convenience, and provide us with an alternative timeframe that you think may be more workable.

Please call me or Wayne Hedberg if you have any questions or need clarification regarding our review.

Sincerely,

Lynn Kunzler
Reclamation Specialist
